POETRY

DON'T STOP AT THE STATION DESPAUL!

We must trust the conductor, most Why, millions of millions before Have made the same journey secur. And come to that ultimate shore. And we, we will reach it in season, And ab, what a welcome is there. Reflect, then, how out of all reason. To stop at the Station Despair.

Ay, midnights and many a potion
Of bitter black water have we
As we journey from ocean to ocean
From sea to ultimate sea.
To the deep sea of seas, and all silence
Of passion, concern and of care—
That vast sea of Eden-set islands—
Don't stop at the Station Despair!

Go forward, whatever may follow,
Go forward, friend-led or alone;
Ah me, to leap off in some hollow
Or fen, in the night and unknown
Leap off like a thief; try to hide you
From angels all waiting you there!
Go forward, whatever betide you,
Don't stop at the Station Despair!
